

Application for
Lady of the Taco
www.tacolord.com

The following is an application for the position of “Lady of the Taco.” By reading this, you are giving the Tacolord permission to use this document or any part within in any way the Taco sees fit should you decide to submit it. You are also agreeing to submit yourself to Taconian law for the rest of your life, without question! In fact, by just downloading, reading, or being in the same state as a copy of this application you are an official “minion” of the Taconian empire and must obey him. Should you view the Tacolord you must say “You destroyed my life” and should he allow it, kiss him on the cheek. As you pull away from the kiss you must whisper into his ear, “would you like some coffee?” However the Tacolord is in no way obligated to actually go out to coffee with you or allow you to kiss his cheek. Afterwards you may go about on your business. Should the Tacolord be engaged something else (i.e. eating), do not proceed in this formality, he is busy. Merely wave, move about your day, and masturbate at the privilege of having seen MaximumTacolord.

The following application is only intended for females or Jet Li. Others will probably be ignored or mocked should you actually fill this out.

You have successfully finished the Lot-T application. Please set this document on fire so my pixies may fan the smoke to my location allowing me to read the details. No follow ups within 60 days, I don't want the pixies getting the black lung. A pixie coughing is such a depressing thing and it gets dust all over the place. Finally, sign and date the document, by signing you admit this is mostly true besides your lies.
